CHORAL SERVICES RESUME ON
 SATURDAY 29 SEPTEMBER

KING'S COLLEGE CHAPEL was begun by Henry VI in 1446 and is an important part of our national heritage. The architectural majesty of the Chapel and the extraordinary musical quality of the Choir are admired by millions of people every year.

Over 500 years of weathering have taken their toll on the building. The lead roof is nearing the end of its life, with leaks causing fungal problems in the timbers below; stonework is deteriorating, with some carved decoration already lost; and stained glass windows, that survived the Reformation, the Civil War and World War II, need urgent restoration work. The College is solely responsible for funding this work, as it is for the costs involved in running the Choir. This includes a significant annual financial contribution to the education of the choristers. As the costs involved in running the College as a whole have to be met with minimal support from Government funds, the task of maintaining the Chapel and Choir becomes more and more difficult, and would be almost impossible without the generous donations received from our very many supporters around the world. We currently need £350,000 per annum to enable essential conservation and restoration work to be carried out.

KING'S COLLEGE CHAPEL FOUNDATION was established in 1997 to safeguard and enhance the tradition of choral worship and musical excellence through long-term support of the Choir; to protect the Chapel through maintenance and conservation of this historic structure, its fabric and furnishings; and to enhance visitors' experience of the Chapel and its daily services.
